

THIS REAL ESTATE SALES LIST is provided by the U. S. General Services Administration and is available upon request. You will find Real Estate currently offered for sale to the public that is surplus to the U.S. Government's needs or they could be seized, confiscated, or foreclosed upon by various Federal Agencies. Properties may be in any of the 50 States or U.S. territories or possessions and are of various types, sizes and uses. Examples include commercial and industrial uses such as office buildings, warehouses, and manufacturing facilities as well as vacant land for commercial or agricultural development or homes for residential use.

Properties are usually sold competitively by auction or sealed bid sale. Bidders are required to get copies of sale information for each property before making a bid. Instructions
